### **2. Under the Wire Recipients:**

If the date on your CCW permit is between 12/22/2022 and 07/18/2023 and you qualified without a holster; Due to various interpretations you may want to take your qualification over again for half the price everyone else is charging.

### **3. Submitted Application is Pending Approval:**

If you qualified without a holster, check with your town to see if you need a new qualification. Each town is different. We'll charge you half of what everyone else is charging - \$125. Must show proof of submission at the beginning of class.

### **4. You Have Yet to Submit your Application:**

If you qualified without a holster, you absolutely must take the new qualification course for all new submissions. We'll charge you half of what everyone else is charging - \$125. We don't think its right to pay full price twice.
